

Cestria Community Housing Association

Central Heating and Boiler Replacement Programme

As part of the full heating replacement programme tenants are given a choice of feature fire for their living room. There is a wide choice of surrounds and also options of gas and electric fires.

To assist in your choice of gas or electric fire, the manufacturer, Valor, has provided the following running costs.

| Running Costs Per Hour | | | | |
|-------------------------------|------------------|--------------------------------|-------------------|-------------------|
| Product | Fuel Type | No Heat or Flame Effect | 2kW output | Max Output |
| Dream Slide Control | Gas | n/a | 30.4p | 52.7p @ 3.4kW |
| Black Beauty | Gas | n/a | 21.3p | 42.6p @ 4kW |
| Blenheim LED Electric | Electric | 0.001p | 36.4p | 36.4p @ 2kW |
| Dream Electric | Electric | 0.001p | 36.4p | 36.4p @ 2kW |

NOTE

The prices for gas and electric are taken from first tier of pricing and correct at time of printing

Gas tariff from British Gas – 7.6+ pence per kW

Electric tariff from EDF – 18.2 pence per kW
