

Internal Modernisation and Heating Replacement Addresses 2010-2011

Note

1. Internal modernisations may include replacement kitchens and/or bathrooms and/or rewiring and/or minor electrical updates
2. Where kitchens and/or bathrooms are modernised internal doors will also be replaced
3. Heating replacements normally include fitting of a combi boiler, new radiators and pipework and fitting of a feature fire and surround.
4. The exact extent of the modernisation works will be determined following a pre-works survey.
5. Not every property will have all of the works done.
